OFFICE OF THE REGISTRAR

CHANGE OF ADDRESS

Students must notify the Registrar of their U.S. address during Orientation and within ten days of any subsequent address change, so the Registrar can report it to SEVIS. The CURRENT ADDRESS field is the one that is reported to U.S. Immigration as your current U.S. address. Please note that you MAY NOT use a P.O. BOX for this address; SEVIS requires the street address where the student physically resides. Students who temporarily move to another location to participate in Curricular Practical Training (CPT) must update their local address with the Registrar. Students on Optional Practical Training (OPT) must also update their address with the Registrar.

NOTE: Failure to update your address in the required time frame may result in termination of your immigration status.
